Adult Summer Reading Program 2021

Instructions:

Each time you complete a task or finish a book, mark off the box on the board. Record all books read on the right, with the title of the book and the author.

Get just ONE BINGO (5 spaces in a row horizontally, vertically, or diagonally) and log a least two books, to get a prize (that can be picked up at the library).

Each book or task can only count as one block- i.e., if you read a YA non-fiction book it can only count for one square, 'Read a YA book' or 'Read a non-fiction book', not both.

One BINGO will get you a prize but you are welcome to complete more than one BINGO! Cover the whole board and you are entered into a drawing for other prizes!
